“ David... I fell for you when I first heard your voice, first time I seen you, you had stolen my heart. Im so thankful you came into mine and my daughters life. I never regretted a day of it. You were a very wise and wanted to be there for everyone. You were a wonderful dad to Jax and Carter they were both your shining stars. You treated my daughters like they were your own you didn't have too but you chose too. You were a jack of all trades,an amazing cook and much more. We had good and bad times but good times mostly. You weren't meant to go this soon. I will not say goodbye, I will see you on the other side Music man. We love you always

“ David,

I don't think God could have ever given me a better brother in law , than you. What an amazing, smart, caring, mechanical man you were! Thank you so much for blessing our family and thank you so much for blessing me with my sweet nephews. You were the big brother I never got to have. I'm so blessed for that. You always told me I was your little sister. I'll miss those phone calls saying "what are you doing sis?" Or "Are you home? Me and the boys are gonna stop by." Thank you for your knowledge on cars that I'll carry with me. Sure wish you could have left that all with me. Lol. Aniya, Cj, and Taylin will miss you dearly. Thank you for being an amazing Uncle to them. They loved you so much. This isn't a goodbye. It's a "I'll see you later brother."

We will be missing you !

*Love Always,
Stephanie, Aniya, Taylin, and CJ*
