“ I met David at rehab in Franklin. As fellow IPF sufferers we both benefited from someone to share with. I am saddened by this loss, but as I near the end of my fight with fibrosis I was glad that he was going to have the chance for years of life—especially when he was so young. He gave it his best shot ( or best throw for a disk golfer?). He was a good man and I will miss him. My sympathies to and prayers for his family.

“ So very sorry to learn of your loss. We won't be able to attend services for Dave as we live too far away now but know that I prayed for you. Haven't seen you in years but we saw Dave about a year ago with he came with Bill to our grandsons funeral. :( May God give you strength.
