“ When I think of Dawn, I smile! From the time she was a young girl running around Earle, Ar. she was a joy to be around! That smile was contagious! Her love for God even in her youth was something we all should strive for! Thank God for His promise & we surely will see her again! ❤️

“ Thank you Dawn for the beautiful memories of not only our fun BC trips, but the example of God's spirit. His grace allowed you to see everything and everyone through His eyes. I look forward to our reunion someday and pray that I will face those days with the dignity and grace and the beautiful, positive spirit you displayed. Love you friend forevermore!
