“ I'm saddened and broken over Debbies death, she and I were good friends through the years that her children and mine were growing up! I would go over to her house and eat and get into deep conversations of life and raising children! We shopped and ate out together, drank and played lots of yahtzee! Great times were had- I will always have her in my heart, she was an amazing woman! Andrew,Becca and Sam know that I am giving you a big hug right now and know your sorrow.Gayle Hopson and family.

“ Deb was a co-worker but most of all she was a friend, and family to me. She would always listen to you with genuine compassion and tell you what she felt the Holy Spirit wanted to say to you. She and I laughed those many 12hr shifts doing Long term care audits. She could always make you laugh. I will miss her.

Deborah was a compassionate nurse at Northcrest. She took care of my brother when he was diagnosed with cancer. Such true compassion she showed towards our family. Now it's your time to rejoice with the Lord. A true angel.

My memories of this remarkable woman will always be good memories. The world was better for having her in it, and her passing is a loss. She was often what many would consider "the best of us." As her forever friend, I will miss her until I too pass away.
