“ *Miss you so much Grannymomma. I couldn't have asked for a better mother in law. I learned so many things from you about gardening, flowers and a little cooking. No one can make dumplings like you did!* ”

“ *My Granny Momma was the best. We all loved her more than anything, and we still do. I remember how Me and Ashton could talk her in to taking us to the skating rink, out to eat, to the fair...or anywhere, even if she didn't feel like it. She would always smile, even if she wasn't feeling good. I miss her so much. I have so many memories and I'm sad without her. Carson Bolen* ”

“ Rest in peace Debbie!! You were a WONDERFUL grandmother! I know this because I seen how you were with the boys. You and Cara are so GOOD to my boys. I cannot believe how fast that stupid cancer took you away. Last night I couldn't help but keep going out on the porch and looking over to your house and seeing the lights on including the front porch light, which meant you were there. I thought about you all night last night, even at 12:30 this morning I found myself looking out the window at your house again. There will never be ANYONE on this earth like you. May God be with Cara and the boys and Chris and his family. I hope he can bring them some sort of peace with this. Thank you for being a GREAT neighbor, and I wish we would have met sooner. Love always and Cara if you ever need me please please just let me know. Help with the boys whatever you may need we are here.
