“ I met Debbie back in 2013 at FBC, Liberty City when we were doing a new church directory. I'm not sure how long she and Michael had been going there, but they were married not long after they started coming. She was a sweet lady and wonderful caregiver who helped me a great deal in 2013-14 when my Dad, then my Mom and stepdad had health issues. She was always so willing to help anyone in any situation. I am so sorry for your loss and pray God's comfort and peace for you all. I know this has been a terrible shock for you all.

“ *Debbie and I have been best buds since about 1970. We never missed calling each other on our birthdays and as soon as either of us would answer the phone we would just crack up laughing.....we didn't even have to say anything. She had the best laugh and I can't believe I won't hear it again. There was nothing more important to her on earth than family. She loved with every fiber of her being and I will miss her voice, laughs and texts.*
