“ *The world lost a wonderful woman when Decky passed. I have so many fond memories of her and I pray that everyone who was touched by this woman remembers her as well as I do. We will always miss you Dercky but you will always be in our hearts and in our minds.*

“ *I had the pleasure of working with Miss Decky, She always had a smile on her face and was a joy to be around. I will always remember the beautiful cakes she would bake. they were spectacular. I was planning to visit her this coming summer. I'm just going to have to wait to see her at our heavenly home. As sweet as Miss Decky is she will probably have an amazing cake in her hands with my name on it on the day it's my turn to come through the pearly gates. That's just how thoughtful she is. I will miss her and I'm sorry I didn't come see her sooner. My sincerest condolences to her family she was and will always be loved by so many.*
