“ D-man there are not words to say to express how I feel. I love you so much, and you will always be in my heart. You brought so much joy to all who have ever met you. Please watch over us all, and be our guardian angel. I will forever be your she-she, and I can not wait til the day that I get to see you without your broken body. You will finally be able to do the things you were never able to do. And that is the main thing helping us through this terrible time. To know that you are in Heaven, you deserve it love. I love you with all my heart, and I will never forget D-man. I-YOU so much!!!! Mwah With all the love in my heart, she- she
