“ I am so sorry for your lost. We never think about our children dying before us. Devin, was a very caring person,he would never say "no" to lending a helping hand. He was very talented in music, and had a gift in making one laugh to the point of crying.(especially, on the 4th of July). He was a true friend to two of my children. He will be deeply missed. He has touched so many lives. To his children, your Dad was so very proud of each one of you. Always hold him dear to your heart(s), and remember he will always be with you. He is now at peace and has become one of God's Angel's.
