“ *My memory of Don is one of his love for his wife Nancy, as I was visiting my best friend Mandy from high school in the hospital he and Nancy lay on the couch bed next to her and they were holding hands, Mandy said that was the kind of love she wanted to have for her life the kind her dad and mom had always had. My heart breaks for this wonderful family who is suffering a great loss. May God wrap his arms tightly around you all in the many days ahead as you go on without your husband, father, pe paw and friend. Much love for you all.*
