“ I Love you my Dear brother Donnie. The last time I saw you was in 2019 and we shared good memories. You will be forever missed but never forgotten. So brother I will not say goodbye only that I will see you later. I will miss so much the birthday calls in January when you always got mine and Ellen's mixed up, you would call me on hers or vise versa. We had a lot of laughs about it. I will always remember you and your model cars. When we were little living in Hamilton NC during the summer of '62 when ellen was just a baby. We used to love playing cowboys and Indians and catching lighting bugs. So this is not goodbye, I love you and we surely see you later.
