“ Don was our friend through church and AARP. Every year at our Christmas luncheons both at our senior group at church and at AARP I would lead the Christmas carol singing and he played piano. We made a good team!

“ I'll miss you dearly grandpa. The house doesn't feel the same with you gone. You've taught me and introduced me to my trumpet taker, and have left me with too many positive memories to recall. You where always there to get a laugh from, and to vent to. A good man has been lost to this earth, but you are finally home at peace and comfort with Grandma. I love you.
