“ To Aaron Townsend and Family
Words seem inadequate to express the deep sadness to hear about the loss of your Father. Please except my heartfelt condolences and know we never really lose the people we love even to death. Your Father will continue to participate in every act, thought and decision you will make. The love your Father shared with each of you has left an indelible imprint in your memories. May God bless and be with each of you in your hour of need. Your Friend, Teresa Minnis
