“ From the first day I met Donna, she was a special lady. We worked for the same employer. A great person to see any given day. She was a joy to work with and a great friend. I know you will miss her but you will keep your fond memories forever. God Bless each of you.

“ I only knew Donna a short time but felt she faced her future with trust and belief in God to see her thru it. She was a special lady. I wish I had known her before her sickness.
