“*Dick, Cheryl, Susan, and Jodi, condolences to you and your families for the loss of Donna. I remember so many of the good times we had at each other's houses, playing games and doing various activities on Saturday nights, and enjoying parties and amateur hours with our church family! I also remember what an asset Donna was to our Kingsville SDA Church by sharing her many talents, especially on piano and organ. I pray we all stay on the path to the narrow gate (Matt. 7:13,14) and are a part of that Grand reunion (Thess. 4:16-18)!*
