“ Donnie was the kindest, most humble, gentle and honest man we have ever had the privilege of knowing!

Donnie, Angela and the children have had such a profound impact on our lives, words cannot begin to describe.

I will miss our discussions and the time we spent together.

In the 40 years I've been in business, and the many, many customers I have had the privilege of knowing, the Dillon's instantly rise to the top as to the most wonderful, gracious, and pleasant.

God allowed our paths to cross in this life, I look forward to seeing you again my friend!

“ Donnie was a great friend and a inspiration to all that aspire to start and build a business. He started very small and over the years built a very successful business by staying involved and keeping lean and efficient. I am blessed to have known him and being able to call him friend. I will miss him very much. My prayers are with Angela and the kids at this time but all that knew Donnie and his belief he is with his maker in a beautiful place today. God Bless him and the Dillon Family.

Donnie was my son in law, and I am deeply saddened with his passing. He built a business and a beautiful family who all trust in GOD to be with them in this trying time. GOD will get you through this sadness my beautiful daughter Angela, and my cherished grandchildren. Lean on him. GOD bless you Donnie, go to your home in paradise and rest in eternity. We love you.

“ I am deeply saddened by the news of Donnie’s passing. I knew Donnie and Angela before they were married. I watched them grow together and produce their wonderful, precious and loving family. Donnie worked long and hard at developing his business, but no matter what was happening, Donnie always had a smile on his face, a song in his heart and many times a joke to share. I grieve for all of you with this tremendous loss. I pray you will find God’s comfort and strength and know how blessed you were to have had Donnie Dillon in your lives. God speed, my friend. You will be deeply missed but always remembered. My deepest heartfelt prayers are with you all.
