“ I only got to meet him once when Bobby and me went to visit him one day on the bike. First thing he said was, "I can't believe your riding that bike with orange shorts and flip-flops on, where the Hell did you pick her up at????"
I pray for all the Wooden family in your days of sadness.

Donnie had a beautiful soul. We lost touch the last few years but, I will never forget rafting the red river and losing his cooler,he had a few choice words for that one!! He will be missed. May God comfort and strengthen the family at this time. My prayers are with you all.
