“ I rememeber when Aunt Dot moved back down here I hardly knew her , I would be the middle of winter I would go over to her house and she would be sweating up a storm saying she was hot. She made me cold just looking at her,I took her to springfiled one time i was in my white 2 door car I forget where I took her she told me "Damn I didnt know this car was so low to the ground , you might have to pull me out of the car" she would laugh and tell us about when they grew up , Well Im gonna miss her, Love ya Aunt Dot,
