Dot, Martha and I were members of the same church in Auburndale, and classmates in high school. We rode a church bus to Bay Lake to attend a revival where a preacher from our church was speaker. The girls met JE and PB there and later married. A couple of years passed, and my Dad was called to pastor a church about 8 miles north of there, where I met and married Jeff. So we have been friends for about 70 years. I didn't see them very often, but was very glad when I did get to see them, and the last time was at our annual school reunion. I loved Dot (she was always Dorothy to me). We were FB friends and communicated some in recent years. So sorry for your loss. Prayers for peace and comfort from our Lord Jesus Christ.”
