“ *I had the honor of working for the wonderful and kind Johnson and Shepard family. Miss Dorothy was a wonderful woman, funny and I think one of my happiest memories was sitting at the table playing Johnny Cash music and listening to her laughing and singing. She loved to sing. My deepest condolences to the family on the loss of their beloved mother, wife, sister and friend. Sincerely Julie Newton*

“ *My Aunt Dot was such a huge part of my childhood & my life. We grew up spending many days playing & working at her house & on the farm. She had a great sense of humor & time spent with her was always fun. She was full of tidbits of wisdom that also tended to be wrapped in humor making them very memorable. She was there for us all our lives for whatever we needed. We were so blessed to have her in our lives. Much love, strength & comfort to the family & all who loved her.*
