“ We Miss you terribly Mama (Anmaw). It sure isn't the same around here without you...to quite...I miss you deeply. But I know you are so much happier in Heaven with Daddy and you don't have any pain anymore. And now you can watch over us from Heaven. But there isn't a day that goes by that something doesn't remind us of you all the time...I have to say "That's so Mama" All our Love, The South Family.....

“ Dear Cindy & Joe and Family, And Donna,Diane,Ruthie,Lynn,Reta and Ben and Your Families, Our hearts are broken and we are all deeply sadden at the passing of Ant Dot as we so lovingly called her (at her request no less). I was so glad I had the pleasure of talking to her days before her surgery. We talked about the good old days and the recent ones as well and especially about our love for our family. We also talked about her surgery and she told me she wasn't afraid no matter what the outcome; that she was putting it all in God's hands and she was ready to go home to him if that was his will. She told me how much she loved her children and her grandkids and that she wanted nothing but the best for all of you. Please know that that is our wish for all of you as well. Our hearts and prayers go out to all of you. With Our Deepest Sympathy and Love. Debbie & Brian Gallgher and Sons, Mary Ann ,Bonnie, Chucky, Richie and Dave Stewart

“ Just wanted to tell you Mother I Love you and you know the real TRUTH why your son couldn't be by your bed side when you passed away because your POA kept Me and Lynn, Ruth and Diane band from our mothers hospital bed! Because POA was trying to play GOD? Rest in peace Mom because i will always be your one and only Son and That is something that a POA could never take away from you. PS you have one more grandchild on the way also but you already know that because you are in Heaven with Pappy now rest in peace. Love your Son.....
