“ Jack was a special person in my life as he was one of my Disciple Bible teachers. I met he and Virginia in my first Disciple Class in the early 90s. They were dear saints and loved by all. Now Jack is with Virginia and his Savior about whom he taught as with all the saints of Heaven. RIP my friend and I will see you and Ginny some sweet day. Thanks for all you taught me.

“ I wanted to say that I'm sorry for your loss. No doubt Duane will certainly be missed by his family and lifelong friends. It's only natural that we yearn to see our loved ones again and the Bible provides us encouraging hope to see them again. John 5:28, 29, tells us that there will be a resurrection of our loved ones that have died. Not only will there be a resurrection, but we all have the opportunity to live forever together in a paradise earth. (Psalms 37:29) I hope that these scriptures bring a measure of comfort and peace to you and your family and please accept my deepest condolences.
