“ *Peggy, I still can't believe Duke is gone, but good memories will always be with us. Every time Duke and I visited or talked on the phone, he always mentioned and laughed about one of our duck hunt's when we were not able to hit anything and realized later that we had set the decoy's too far out of shotgun range. Many stories like that of our hunting and fishing adventures. You and your family are in my prayers during this sad time.*

*Love,

“ We were neighbors of Duke and Peggy for several years while our daughter was little. I will always cherish the memories and pictures of Duke and Shelby together. With our family so far away they were like surrogate grandparents to her and dear friends to us. Thank you both for loving us. We really wish we could be there but we will see you again Duke, and I expect more tales from the hunt when we do. Love and prayers, Gator and Nichole
