“ *Such a sweet girl, it's unreal that you are gone! Most definitely way to soon for sure! Although I know you are at ease now and no longer hurting, you left all your friends and family with a hole that cannot be filled! I'll never forget all the late night calls and all those times I came and got you that only we know about. I wished to God you had taken me up on my offer for me to go with you to go and get help, so many times you were so close and then you'd disappear again before I could even tell you goodbye! I wished I had known you were just a few doors down from me, I'd either been there or you with me! You'll forever be missed baby girl, I love you and I know you and Easton are all smiles now, I just wished you could have stayed for your baby girl! Fly high sweetie, Rest Easy and Keep Your arms around your baby girl and your parents cause God knows they need it now more than ever! You'll never be forgotten Doll.. Love Always, MoMA Stephanie!!*

“ I could literally share 100000 more pictures. Each one is a special memory with Dynasty Brooke! One of the best sisters anyone could be blessed with along with a daughter, mother, niece, grandchild & so on! If I've learned anything it's to always take pictures no matter where you're at or who you're with because one day you'll have nothing but memories! We love you beautiful! Always & forever .
