“ *Betty and Family, my thoughts and prayers are with you at this time. Earl was one of my favorite cousins, and I will always remember how nice and kind he was and I always thought he had the nicest voice. Eunafay*

“ *I'd went to Mr. Earl's home for a welding service call back in 2007. He was stretching a truck frame by himself, after that day he called my boss to get me to work part time for him outside the company. So I'd go to Mr. Earls often fitting, welding, and repairing trucks for him. As time passed this man always took care of me and was a wise man. He had a true passion and love for his work. I pray that as I get older the good lord lets me go as long and as strong as Mr. Earl Sexton has.... Rest In Peace Mr.Earl you left forever marks on this world and in my heart.*
