“ Family of ED My heart goes out to you and your family in the loss of Ed. I worked with ED at the DSSA Beaver Dam KY site, as he was teaching me BPCS. He talked highly of his family and was so excited about the new grandbaby. He will be deeply missed. May God wrap his arms around you all. God Bless Clara Johnson

“ Judy, I know we haven't seen you recently but our memories are of the good times we all had. Last week I was telling someone about Ed driving me to work in the car that had a hole in the floorboard and how we laughed about it when it rained. There are no words to take away the pain you feel but the best tribute is I never heard anyone say negative comments about Ed. We should all live that way. Bing, Carol, Skip and Hayley
