“ I was fortunate enough to encounter this Godly man some years ago in Bedford ,Indiana at one of his speaking engagements. I inquired about some of his CDs , books and pictures and before I knew it , he had GIVEN them to me out of his generous Spirit. I continued to follow him when he was within a 100 mile radius and even had him drop by our home for coffee and cherry pie while the Reunion was going. His wife Ola was just as Godly . We met her at one of the reunions and truly enjoyed them both . They are both in their Heavenly Home now and that fills me with joy .
