“ Aunt Edna, It has been much too long since we saw and talked. However, I never ever forgot about you. You always were dressed up and nice and shiny when you were living in Maryland. You raised some wonderful, christian, and mannerly children and grandchildren. You will live on in my heart forever. I regret so much that I was unable to get down for your funeral. I have been bedwritten for the last 6 months. My husband just had a heart attack and was back in the hospital this pass week. This is why I couldn't be there for you. Kept checking on you through Chrissy and Ben.
Love always, Margaret, & family
