“ *My favorite things about Uncle Ed: his stories, his beautiful smile, his resemblance to Grandma Ann and his complete devotion to his family. I loved when he would joke around with me over email. I loved when he would take the time to visit my dad when he was in southern California. I loved learning more about Grandma Ann and my great grandparents from him. I love that he faithfully served our country. I love that he was a teacher as well.*

I'll miss you Uncle Ed.

*Till we meet again in heaven someday,
Loari*

“ *Sally and I were in the same training class at Delta Airlines and ended up being roommates and fast friends! Sally's parents came to visit often, we took family vacations together and spent holidays together when we could get layovers near her parents. They always made me feel like part of the family! Ed was a true hero to our country, published a book on his military experience and was a great Dad and husband! My condolences to the entire Franklin family!*
