“ *Maw Maw sure knew how to feed her grandchildren as well! I will never forget afternoons spent with my cousins running around the woods by her house, playing upstairs with all the old toys my mom grew up using as well as her siblings. Most of all I will never forget the smell of her home waking up on those weekend to either a fresh breakfast casserole being made or the famous pancakes she would make! There never was a moment not filled with love or laughter in her home.*

*Love,  
Lucas ❤️*
