“ When I was a child I stayed at Sis and her mothers house more than I did my own house. They feed me most every meal and bought a lot of my clothes and shoes. They took care of me like I was their child. They couldn't even go anywhere without me. I could hear their car start and I would run out our front door to go with them. I miss both of them so much!!! I wish I could go back in time to spend another day with both Sis and Marguerite!!! I Love you both. !!!

“ I'd like to share a very fond memory - I grew up next door and she always bought all of our Easter dresses and was so sweet. She will be truly missed. Barbara Jones
