“ Ms. Wilmoth will be missed by so many - she was a very special lady - always had a helping hand to those in need around her. I remember her saying that God chose to not give her any children by birth but he gave her hundreds in the classrooms of Fort Campbell. I loved her very much as did everyone who ever knew her.

“ The world has lost someone very special. She loved her students, staff and school. Always went above and beyond in everything she did. She always encouraged her students to be the best they could be. Ms. Wilmoth Wallace will always remain very much alive in the memories of those who loved, respected and treasured her.

Thinking of W. Wallace and made reference of her and a dear school friend told me about reading her obituary. I always remember her gorgeous smile and always always the nicest of ladies! What a blessing knowing her and living her as my PE teacher. She did her practice teaching at APSC demonstration school. And years later she was my principal at Ft Campbell! Memories.
