“ Thru the blessings of the good lord we share a life with our loved ones but the good lord also calls our loved ones home. We never want our loved ones to leave us but God has a plan for all of us and Ellis has now gone forward to receive his heavenly reward. Ellis was a wonderful older brother that set a good example for me as a younger brother to follow. Ellis was a fearless and courageous older brother. I recall the good times we shared as we journeyed through childhood and into adulthood. Ellis was always a caring brother and he loved his family deeply. He was so proud of his children and grand children and spoke of them often. He loved his wife Karen completely. It was rare if ever Ellis would be present without Karen at his side...they made a beautiful couple and made many memories. May the good lord take Ellis into his heavenly home and offer peace to a grieving family left behind. Rest in Peace my brother. You will be forever remembered for the kind soul you were. Your little brother Loran, Nena and Mom Carmen
