“ I worked with Ethel at TN Christian Medical Center around 2002-2004. Such a sweet and spunky lady. One Thanksgiving she invited me and my husband to her house. I remember a lot of sweet family and delicious food. I still have a beautiful ceramic piece with a woman and a little girl that she gave me to symbolize me and my daughter. She made a big impression on me with her kindness, work ethic, and her love for her family.
