“ Gene was a great guy to work for and a great fisherman. I think we spent as much time on the water as we did actually working, almost every day after finishing a job, went fishing somewhere and always went home with as much as we could catch. My condolences to Barbara and the boys and everyone who knew and loved him, may he rest in peace. Tony Maccini, laborer at Adam's Concrete Finishing 1985-1988.

“ *Gonna miss you UNC. You always had my back and treated me like your own kid. I have too many memories to share just one. But fishing was our bond. Love you and see you again one day.*

“ *My brother and I had a lot of good times growing up. Our pets, playing in the snow and not such a good time shoveling it. We were typical brothers and did things to each other most brothers do. I missed his success playing basketball and in track I was in the service but did keep track of him. I'll miss talking to you and listening to you like we did the past several years. Love you and will miss you always.*
