“ *The greatest memories I have of my Granddad are those Saturday night fishing trips. I will cherish those forever. I wish I had the chance to get down there sooner so he couldve had a chance to meet in person his 2 great-granddaughters Kiryn & Kailynn. He did have the chance to be with Kristen a few times and I know he loved them all. We all miss and love you Granddad, and I'm glad we made it down to say goodbye*

“ My grindad was a great man, and i will miss him very much. I have
many great memories with him, like watching him work in his shed,
carving and shaping wood like no other. he also loved watching
wrestling. It's never gonna be the same without him.

“ Grindad was one of a kind. He always had time for us and always
willing to lend a hand whenever we needed. I remember about 4
years ago on Dec. 23, I came home to find my refrigerator not
working. Grindad was the only one I could find that had a truck to
haul a fridge home. He took me out the afternoon before Christmas
Eve, in the bitter cold and the beginning of freezing rain to make
sure I have a fridge for Christmas that year. That was the kind of
man he was. We have been blessed to have him live so close the
past 11 years. Grindad, I will miss you so much. Thank you for
everything.
