“Milty, Joel and Jeffrey, I hope it's not too late to share memories of Aunt Eula as I just found out about her passing today. I am still shocked as I have been wondering how she has been doing as of late. So sorry for your loss of this beautiful and sweet soul. I remember my early childhood, going to your house on the lake for family reunions. (1960s) They were so much fun. Fishing, ping pong, riding Uncle Miltons motorcycle, badminton, grilled hamburgers, and all the cousins! The best of times! I still have a few photos from those. I'm thankful that I got to bring two of my three children to one of the reunions (late 1980s) were she and Uncle Milton's clogging group performed for us. I have great pictures from that reunion. Of course I'll always cherish her sweet smile and how she kept in touch with our family even after we moved to Murray. So much of the Blackford family genealogy I have is because of her. My favorite memory is when Uncle Milton, Aunt Eula and myself went driving around Southside Tn discovering old Blackford and Harper houses and cemeteries. And I have so many happy memories of visiting with them at so many houses! I hope you and yours are cherishing your memories too. Peace my cousins, Cindy

“ *Eula was my Clogging teacher for many years at the Centerthen she formed a team to go out and perform at many places. She was a very talented lady in many fields. Her husband Milton always had a smile on his face. Prayers go out to her family at this difficult time.*

“ *I was in her first class at Robertson County Vocational School. She taught us all so much about nursing but also about life. She was an inspiration to many and the reason I am still in healthcare today. My prayers are with you all during this time.*

“ *Mrs. Blackford taught me Health at the Vocational for two years 1978-1979. She was a leader, a very good teacher and a very compassionate person. She once told me in class you will not sleep in my class so if you plan on trying that you better learn to sleep with one eye open. LOL Rest In Peace*
