“ Evelyn came into our lives when we were young. Linda & I will always cherish and love her. Our memories that we have as a family can never be taken away. Even though we were her step daughters she loved us as her own. She will forever and always be in our hearts. This is not goodbye but only a delay, for we will all be together one day. We know that she is with our dad and God. So untill then We love you Lillie & Linda
