“ Eleven...on a scale of 1 to 10, she was an 11. There is no, will be no, equal.

To her family, I'll only say, my (embarrassingly belated) thoughts are with you, and God Bless you all.

“ My heart is broken today. I had been trying to find out where Evelyn was and then stumbled upon this today. I worked with Evelyn at Varsity for 7 years. She was much like a mom to me. I miss her all the time. It breaks my heart that I will have to share this news. Just wish I had known she was living so close to me before her death. My condolences to her family.
