“ *Bebaw was the sweetest person I have ever met. I married her grandson, Austin. From the moment we met, almost 10 years ago, she treated me with nothing but kindness and love. She never ever treated me as an in law but as a granddaughter. The love I have for her is so deep and I'll miss her so much. I'll miss her texts, her sweet cards, and her beautiful voice and smile. She loved our daughter, Aubree so much. I'm a better woman just for knowing her. I love you forever Bebaw and will keep your memory alive. I'll see you again ❤️ I promise to take care of Austin for you ❤️*

“ I cannot begin to count all the ways this incredible selfless human being graced our lives over the years. She spoiled us not with "things" but with her time, her genuine concern, her prayers and her love. We have never known anyone else, without position or title, who has generated so much respect and love. She always remembered each and every birthday & anniversary of her very extended family without fail. And not only that, she remembered your favorite dish, cake or candy and was sure to have it on hand if you were lucky enough to be in her warm & welcoming home. Our home is filled with precious momentos handmade by our precious Auntie Faye that we will ALWAYS treasure and carefully pass down to our descendants. And, of course, she hated any attention drawn her way. She never thought of herself, only others. She loved her family!! Each and every new marriage and grandchild was celebrated as only a mother can who knows how precious life is! We will miss you so, so much, but you taught us not by word but by example. Well done, good and faithful servant!! Love beyond words
