“ Some of my favorite times spent with Gaye were riding with her and Jayne in Jayne's 56 ford. Gaye may have been a little thing but she was a firecracker. Oh, the crazy things we did. She will be missed. My love and prayers to all the family.

“ Gaye was the same age as Jayne, so that made her the "cool" aunt. First time I ever got tipsy was with her. But my favorite memories are of her and Jayne when we would go to Florida - they had big floppy hats and bikinis and I wanted nothing more than to be just like them, and more often than not they'd let me tag along when they walked The Miracle Strip in Panama City. Gaye was always outgoing and fun and we'd have so much fun then. She even took me horseback riding on one of my visits and "saved" me when my saddle slipped and I was hanging off the side of the horse.
I'm sure they're all sitting at the table playing cards or yahtzee just waiting for the rest of us to join in. Did I mention how beautiful she was? I just idolized her...
