“ *Such a sweet, precious lady. I have been blessed to call Frances and Betty my special Ashland City friends since the 1950's. I first knew Frances when she, Betty and I bowled on a team together. That special bonding has lasted a lifetime. We have shared so many wonderful occasions together, also some times with broken hearts. She will be missed by so many.*

*With love and sympathy to the entire family,

“ *Such a beautiful Christian lady. Mrs. Frances and Betty were such wonderful friends to my mother, especially in her later years as a widow with health issues. Mom loved the visits and card games so much. Her smile and grace blessed me every time I saw her at church or for that matter, anywhere. When my family moved here in 1998 so I could help care for my parents and needed a place to live while we built our home, Mrs. Frances and Mrs. Betty gave us the use of their old family home during our construction. Such a beautiful act of love and generosity. My deepest condolences to all her family, she will be greatly missed. Patrice Lockert Tracey*
