“ Sorry for your loss Randy. Franny was a good wife and will be missed. Mark & Alice New Sr.

“ I was so saddened to learn of Frannie's passing. I had Frannie as a student at Danville High School. She did my hair for years when she was attending Danville Beauty School and after she had the shop in her home. I, also, had Tina and Jason as students at Danville High School. Frannie was absolutely one of the finest ladies I have ever known.

With deepest sympathy to all of the family.

“ *My baby sister. I was so happy when she moved to Nashville so I would have one of my sisters close. She was so brave and never let on she was afraid. I have always been blessed to have sisters and a brother whom we all loved each other. To lose Franny and Mike in less than three weeks has been so hard to bear. I know they are in a better place but for now my heart is broken beyond believe. I love you Franny*

*I'm so sorry to hear of Franny's death. We had been out of touch for awhile and then reconnected on FB. We were making plans to have lunch together but we never got to it before she moved. We met in junior high and I've always considered her as a great friend. She was one of the strongest and caring people I have ever met. My sympathy to Randy and the rest of the family. I will carry her forever in my heart..... Becky*

“ Mom, you meant the world to me and I am very blessed to have you as my mother. There is an empty hole in my life without you here. I am glad that you are free of the illnesses that shackled you. Thank you for being there for me through the good times and the tough ones. I will always be a mama's boy. Love your son, Jay

“ Let me be the first to say our Hearts are broken. Franny was our baby sister and life without a sister is more devastating than words can say. She will be forever in our hearts. A sister’s bond cannot be broken and the ache of losing her will forever be there until we are all together again. She joins our Mother, Father, 2 of our other sisters and 3 brothers just losing a brother three weeks ago. They will forever be in our hearts. I love you all, ❤️ I love you Franny 🙏
