“ *I was saddened to learn of Frank's death. I had the honor to serve under him when I worked at the Tribune in the mid-1980's. Regardless of the crisis or circumstance, Frank always had a calm demeanor and a professional response ... two ideals I've tried to emulate but often fall short of. Frank served as a role model for me and I will be forever grateful for the guidance he provided. My sincere condolences to Tim, Kay and all the family.*

“ *I would like to offer my condolences and send my best wishes to all of you on the loss of your Dad. I had the privilege of working with Frank at The Columbia Daily Tribune for several years. I think I even hired Steve for a short period of time at the "mini-bune." Your Dad and husband was a good man and I was honored to know and work with him.*
