“ Frank was a unique person that would go out of his way to do anything for you. He always called my parents Mr & Mrs Ervin even though they told him it was fine to call them by their first names. He even called me Ms Marcelle. We enjoyed skydiving together and he spend time with us at family gatherings as well and occasionally lunches at Coaches. He was a dear friend and will be greatly missed.

“ Is this the frank that owned a orange GTO in late 70s early 80s. If so we went drag racing together at Union Hill.
