“ I loved Frankie like a brother. We've been friends a long time and I will miss our talks. I firmly believe that I probably wouldn't be here if it wasn't for him. In a dark period of my life, frank was always there with me. He'd pick me back up and kick me in the butt and get my head on straight. I have thanked him numerous times throughout the years for being there for me. I have so many memories of Frankie. Thank you for the love. I love you and will miss you!
