“ *My roommate and I worked at West Elementary School in Mt. Juliet until we retired. Miss Fredia crossed my mind as she has many times. She was a mighty fine woman.*

I looked for her on Facebook and then looked for an obituary. I'm sorry to see she passed away but I know she has a great reward.

*L♥ve you, Mrs. Fredia,
Ms. Emily*

“ I am so sorry to hear about Fredia. She and Brother Ed have been precious friends seems like forever. When Terry and I returned to Cross Plains United Methodist Church in 1981 Bro. Ed was the pastor. We soon became members and friends for life. Many outings, game nights, talent shows, school pick-ups for our children, christenings and even officiating a marriage were part of many memories we have. We even went to the favorite burger joint in Crossville while he and Fredia were at Fairfield Glade United Methodist Church. After they left Cross Plains we kept track of them and would visit Pleasant View for talent shows, Fairfield Glade, Pennington Bend for revivals/choir singings. These two people made a lasting impact on our lives. Fredia was truly a disciple of God, willing to do and help anyone and everyone. In many conversations we had I remember her saying, "I wouldn't worry about it," which always made me feel better. We all certainly know where this person of God is now-up above smiling with a cup of coffee in her hand. God bless you family, thoughts and prayers are with you at this time. God Bless you Bro. Ed. Know our hearts are with you. Terry and Anita
