“ I was so shocked to hear of Gail's death. She was a caregiver for my Mom, Martha Rawls during her illness. Gail was a loving and caring lady and always smiling. I still can't believe she is gone. We did not know anything about her passing. The Rawls Family sends their prayers to her Mother, Gloria and the rest of her family in Ohio.

“ Growing up next door, I only had good memories of Gail. I use to run around with her brother Mark riding ponies and playing basketball. I even broke my arm on her pony "Duke". Even her goats chased me into their electric fence once time. She was a good hearted person and will always be remembered.

“ *Warner family.... I am so saddened by the news of Gail's passing. The memories I have growing up next door to your family and all the fun we had as kids will forever be in my heart. I ran into Gail a few times over the years, just not in the near past and we always remembered each other. May peace be with your family at this time. God Bless you all. Cheryl*
