“ *He was the most loving and giving person that I know. That's just who he was. He's gone but will never be forgotten. Loved when he preached. It was always just what I needed. He helped my husband and me with Haiti's Mission just when we needed it. He was always in touch with God for others. We loved him dearly. Wanted to be at the funeral but this weekend is Travis's family reunion in Springfield, Mo.*
