“ *'Gatty the Veet' was the life of the party who tried to see that everyone was happy. We didn't make memories in our 20's, they were EXPERIENCES! Some of my fondest memories of 'trying to be an adult' 🤓 were in the old red n white FORD RANGER! ROLL TIDE BROTHER!* ”

“ *Tonnie and family,
My heart goes out to you in the loss of your son.
It is the most devastating experience you could ever go through. I
speak from experience, since the loss of my son, 20 years ago.
Know that I care and will be lifting you up in prayer.* ”

“ *Oh the memories, way too many to list, but my favorite of all times is basically, Chocolate Chip Cupcakes....nothing more needs to be said. I have not been able to make them in the past 30+ years without thinking of Gary and I know I will continue to think of him every time I make them going forward. He always contacted me in some way on mother's day, Christmas and pretty much every other holiday. I will miss him terribly. I pray for comfort for all of you, especially Tonnie and Chelsea. He was one of a kind, a man with a good heart and a personality that you could not forget! I thought the world of him and loved him very much. Until we meet again Gary, I will just say....Roll Tide!!*
